

Victory Christian School Dress Code Update

September 1, 2017

As you may have heard from your child(ren), we are diligently working to communicate to our student body that our Dress Code will be consistently enforced this year. We realize that this may be a change from what has historically been the experience for our students, so we've implemented a system of checking dress code this week with only verbal warnings. Beginning on Tuesday, stated consequences including a referral to the Dean's or Principal's Office, in-house suspension, requiring a change of clothing, and/or dismissal from campus will be implemented. Please note that we are not using the school uniform to define a Christian heart or even what is acceptable to wear outside of school, only enforcing what has been set as the VCS Dress Code. To offer some clarity on what we have seen as the majority of infractions, please refer to the pictures below:

Girl's pants:

YES!! (All shown in khaki, because it's easier to see the fit. Black and navy are still acceptable.)

NO...(Note how they are form fitting on the entire leg, or look more like denim.)

Girl's Skirt Length: No more than a dollar bill's width (2 ½") above the top of the knee. We are doing this by sight for now (and are typically erring in the girl's favor), but if we are having to question the length, it's probably too short. This applies to the front and the back length.

Shirt Colors: Please refer to our Dress Code for this year and use the color pictures as your guide. The only variations that are being allowed are the polos within the blue family. Anything between the light blue and the navy is being accepted. This does not include teal or turquoise colors. Also, with the polos, we are allowing shirts with subtle heathering. Button down oxford shirts are only allowed in the traditional light pink, light blue, light yellow, or white.

Boys' Pants and Shorts: Jogger pants (those with elastic around the ankles) and cargo styles (pockets on the side) are not to be worn.

Please let us know if you have any questions. We are here to serve you, and our intent is to lead our students in accountability.
